Spring 2023 WRL Refund Policy:

If a refund request is made for player registration fees it will be granted under the following circumstances:

- a) All requests shall be made directly to the WRLL Board of Directors in writing (the refund request form can be used).
- b) If the request is made prior to the Registration closing, a refund, minus a \$10 cancelling fee, will be given.
- c) If the request is made after Registration has closed and prior to the first game being played, a refund, minus the cost of uniform (jersey/hat), plus a \$10 cancellation fee, will be given.
- d) After the first game has been played, no refunds will be given.

Therefore, refunds for **Juniors Division** will follow items (a) and (b) above for a refund of either \$115 for early-bird registrants or \$135 for other registrants. Refunds for all other divisions (**Tee-Ball through Majors**) will follow items (a) and (c) above. Uniforms cost about \$50 per player (shirt, printing, patch, and hat, factoring coach shirt costs as well). Subtracting the \$50 uniform cost plus the \$10 administrative fee from the original registration costs equates to the following refund amounts per division (which does not account for chartering, field rental, equipment costs incurred per player):
